

UNITED STATES DISTRICT COURT  
for the  
EASTERN DISTRICT OF NORTH CAROLINA

**U.S.A. vs. Jordan Paul Buys**

**Docket No. 7:17-CR-103-1M**

**Petition for Action on Supervised Release**

COMES NOW Marisa D. Watson, U.S. Probation Officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Jordan Paul Buys, who, upon a finding of guilt by jury to Abusive Sexual Contact, in violation of 18 U.S.C. § 2244(b), was sentenced by the Honorable W. Earl Britt, Senior U.S. District Judge, on May 25, 2018, to the custody of the Bureau of Prisons for a term of 21 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for a period of 60 months.

Jordan Paul Buys was released from custody on May 15, 2020, at which time the term of supervised release commenced.

On July 23, 2024, this case was reassigned to Chief U.S. District Court Judge Richard E. Myers II. On this date, a violation report was submitted to the court due to the defendant being under the influence of alcohol during a home visit and admitting to continued use. It was recommended that no court action be taken at that time. The defendant was verbally reprimanded and was referred back to substance abuse treatment. The court agreed with this decision.

On September 30, 2024, a violation report was filed due to the defendant admitting to being under the use of alcohol. It was recommended that no court action be taken at that time. The defendant was verbally reprimanded and was placed into a higher level of substance abuse treatment to include group therapy. The court agreed with this decision.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:**

On November 22, 2024, the Edgecombe County Sheriff's Office was called to the defendant's residence due to him attempting to harm himself while under the influence of alcohol. He was involuntarily committed at this time and spent less than a day in the hospital. The defendant failed to report for substance abuse group on November 18, 2024, November 19, 2024, November 21, 2024, and December 5, 2024. He also failed to report to the probation office for scheduled appointments on December 5, 2024 and December 9, 2024. On December 9, 2024, the probation office requested another welfare check on the defendant. He was involuntarily committed for a second time and spent four days in the hospital. At this time, it is clear the defendant needs a higher level of substance abuse treatment. The probation office believes placing the defendant on the Remote Alcohol Monitoring Program to monitor his alcohol use will assist in keeping him accountable while also attending treatment. The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

**PRAYING THAT THE COURT WILL ORDER** that supervised release be modified as follows:

1. The defendant shall abide by all terms and conditions of the Remote Alcohol Monitoring Program, as directed by the probation officer, for a period not to exceed 90 consecutive days.

Except as herein modified, the judgment shall remain in full force and effect.
